

## Easily Find the Right Doctor at the Right Cost

### **Our Uncomplicated Care & Cost Finder Tool Is Based on Your Plan**

Did you know that doctors and hospitals don't all charge the same price for the same service? This might make a difference if you have to pay for some or all of the costs out of your pocket, but you don't have to guess what it might be. Care & Cost Finder helps you compare costs for common health care services. Estimates are based on what your plan covers, so you get a true picture of what you'd pay.

### **Need a Doctor?**

Care & Cost Finder also makes it quick and simple to find high-quality doctors, hospitals and other health care professionals in your plan. You can get detailed information, including:

- Specialties and quality ratings
- Side-by-side comparisons of different doctors
- If a doctor is accepting new patients
